

# Simplify Your Patients' Healthcare

Medfusion Plus gathers all your patients' healthcare information in one safe, secure location. Now you can have your patients' health data at your fingertips, so you can focus on caring for your patients, not consolidating health records.

## Medfusion Plus Pulls Everything Together

### Your patients' health data in one place

- Lab results
- Medications
- Allergies
- Immunizations

### Insight into your patient population

- Utilization reporting
- Visibility into patient portal connections
- Clinical data aggregation

### Turn-key deployment & interoperability

- Custom branded experience
- Available on iOS and Android
- Supports HL7 FHIR, Apple Health, & iOS with Apple Watch
- REST-based developer APIs

### Always secure

- HIPAA-compliant
- Real-time monitoring
- Bank-level encryption
